### CZU SURVIVORS URGED TO FILL OUT INSURANCE SURVEY

The County of Santa Cruz urges residents who suffered property damage during the CZU Lightning Complex fires to fill out a brief survey offered by United Policyholders to understand more about the recovery process.

The survey is intended to help to track progress, identify problems and gather information about insurance coverage in fire-impacted areas. The survey is anonymous, and results will be based on aggregate data and not include personally identifiable information.

United Policyholders is a non-profit organization working to support the recovery process in collaboration with the Santa Cruz County Long Term Recovery Group (LTRG). The LTRG is a collaboration of non-profit, faith-based, local, state or national organizations that are working together to share information and resources that can help address the needs of individuals and families affected by the CZU Wildfires. Please email [santacruzltrg@gmail.com](mailto:santacruzltrg@gmail.com) to be added to our mailing list.

Please complete only one survey per household. Those taking the survey will be entered into a drawing to win \$50 Amazon gift card.

To take the survey, go to <https://www.uphelp.org/surveyCA>.
