LA SELVA BEACH LIBRARY MEETING

Supervisor Zach Friend and the County of Santa Cruz invite the La Selva Beach community and members of the public to attend a meeting and design discussion for renovations to the La Selva Beach Branch Library.

The meeting is an opportunity to share ideas for the new space, which is a joint project of the County and Santa Cruz Public Libraries. The County has hired Jayson Architecture to lead the design of library renovations.

The planned renovations are the latest County library project funded by Measure S, which is funding library improvements throughout Santa Cruz County. The County recently broke ground on a new Felton Library, and the design process for a new Live Oak Library Annex, as well preliminary planning for renovations to the Aptos and Boulder Creek branch libraries, is already underway.

Separate projects in the Santa Cruz and Capitola communities are also moving forward.
