

County Plan #	Objective Title	Objective	Target
#92	Career Preparation	70% of low income adults who are enrolled in both Workforce Investment Opportunity Act (WIOA) career preparation activities and CalWORKs employment services, will be employed six months after completing services.	70% Employed
Measurement			
Individuals enrolled in both WIOA and CalWORKs/WTW. Upon exit from BOTH programs, the percentage employed after 6 months is determined through quarterly wage data received from EDD.			
Collection Method			
Automated query from CalWIN/CalJOBS linked with quarterly wage data received from EDD. Post-Program Employment Percentage is based on eligible exits each month.			
Data			
Year	% Employed After 6 Months		
2018 (Baseline)	0%		
2019	89%		
2020	65%		
% Employed	72%
